

HAMPDEN TOWNSHIP VOLUNTEER

FIRE COMPANY

**\$5 per Car —or—
(2) Canned Goods**

Put your imagination in gear and go! Here's a chance for children to get up close and personal with their favorite big rig! A fire truck, police car, construction vehicles and many other vehicles will be on display for children to look at, explore, and possibly climb on and sit inside the trucks they see every day on the roads. This is an activity that both boys and girls love and is sure to be enjoyed by dads and moms alike.

Proceeds will benefit the Hampden Township Volunteer Fire Company and New Hope Ministries Food Pantry.
